

WCMEW

Wisconsin Council on Medical Education and Workforce

REGISTRATION NOW AVAILABLE – 2018 WORKFORCE SUMMIT

Creating the Clinical Workforce We Need: Policies, Strategies, and Innovations in Wisconsin

Friday, November 2, 2018

Detailed agenda, lodging, and speaker details are available [online](#)

[Click here to register now](#)

Summit will include sessions on:

- Resources for Recruitment and Retention: Leveraging Programs and Engagement Initiatives for Today's Evolving Workforce – An overview of incentive programs and retention strategies for rural and urban providers;
- Workforce Strategic Planning at Aurora Health Care – Integrating workforce analytics; and
- Clinical Site Coordination – Ensuring adequate pipelines for PA, NP, Medical and Pharmacy students across Wisconsin, including identification of barriers and opportunities for increased collaboration among traditional competitors;
- And more – Including data and program development.

Featuring Keynote Scott Shipman, MD, PhD, Director of Primary Care Initiatives and Workforce Analysis, Association of American Medical Colleges. Also featuring:

- **Sunshine Balistreri**, Provider Workforce Planning Manager, Aurora Health Care
- **Lisa Dodson, MD**, Medical College of Wisconsin – Central Campus Dean, and Professor in Family and Community Medicine
- **Brenda Reinert**, Human Resources Director, Tomah Memorial Medical Hospital
