

# GRANTS WITHOUT GRIEF

*A Wisconsin Office of Rural Health Workshop*

**June 22, 2018**  
8:30 am to 4:00 pm

**Holiday Inn Conference Center**  
750 South Central Avenue, Marshfield

The Wisconsin Office of Rural Health is pleased to announce our workshop, Grants Without Grief. This workshop will make finding funders and preparing persuasive proposals a pain-free experience. You will learn how to identify and approach the grantmakers who are most likely to support your organization's programs and operations. A systematic approach to grant writing will improve your ability to appeal to sponsors' values and priorities and help to secure the funds necessary to achieve your organization's goals. We encourage representatives from rural hospitals, clinics, EMS agencies, non-profits, and community health coalitions to attend.

Our workshop speaker will be Jeremy Miner, director of grants and contracts at the University of Wisconsin-Eau Claire and president of Miner and Associates, Inc., a nationwide consulting firm that provides grantseeking and fundraising services to nonprofit organizations. Jeremy has authored several leading grants guidebooks and his successful writing techniques have generated millions of grant dollars for many nonprofit education, health care, and social service agencies.

Registration for this event is \$25 and includes breakfast and lunch. You can register and pay the fee at **this secure site**. **Please complete your registration by June 14**. The Office of Rural Health has arranged a room block at the Holiday Inn at a reduced rate of \$119. Make your room reservation at 715-486-1500 and reference the WI Office of Rural Health Room Block, or mention the block code: WRH. You may also make your reservations online **through this link**.
