- Goals for this Summit

10:30 am Break

11:00 am **Crafting a Data Strategy Plan for a SORH**

- How SORHs can approach “data work” strategically
- Good data sources and recommended practices for utilizing them
 - Utilizing existing reports (FMT, etc)
 - Finding sub-county data, and more current data

12:00 pm **Lunch**

12:45 pm **Crafting a Data Strategy Plan for a SORH, cont.**

- Recommended analyses to run, and who can do them
 - Offices with data super-user, vs those without
 - How could NOSORH help here?
- Recommended tools to analyze, store, and communicate data

2:15 pm Break

2:30 pm **Tools, Tips, and Tricks** – peer sharing of our favorites

3:30 pm **Reflections** from the day. *(Sign up for show-and-tell spots tomorrow)*

4:30 pm Adjourn

Thursday, Aug 11

7:30 am **Breakfast** served up to first session

8:30 am **Show and Tell**

- Sharing our cool projects/ideas with each other – 5 minutes each

10:30 am Break

10:45 am **Questions for Each Other**

- After a day and a half with each other, this is the time for follow-up on things people have mentioned, expertise we need, etc.
 - *This was a highlight from last year, but not given agenda time*

11:45 am **Hot Topics**

- Email survey to participants yielded a ton of topics and questions:
 - Quick brainstorm & vote on topics to address

12:00 pm **Lunch**

12:45 pm **Hot Topics**, continued

2:00pm Break

2:15 pm **Next Steps for Data Summit, Super-User Group**

- Data Strategy Plan recommendations written, released to SORHs
- “Recommended Data Practices” document?
 - Eg: Establishing a baseline, etc.
- Collaboratively design a 15 min session for NOSORH Annual conference
- Other?

3:30 pm **Reflections** from the day

4:30 pm Adjourn
